Hi,

Below is the download of the core work milestones from Teamwork for you. What may not be fully captured are reviews of PIDs/IDs as while we started to capture those in Teamwork in FY20, I think it was spotty for some quarters. This download included completed work and I included some actions that while not completed in FY20, you have worked on them during the year (eg., DWA or DRAs that will be completed next quarter).

Let me know if you have any questions.
